# President's Report

Hi all,

I have just returned from two weeks in Bali. Didn't see anything related to our hobby, but the weather was definitely a lot better averaging 28 degrees during the day and 21 at night - was a bit hard to get used to! Then returning to Melbourne where it was 10 degrees!

I am a little out of the goings on but thank those who ran the meeting in my absence. I have been told there is some exciting news regarding Farm World next year, more info to come.

I would like to thank those who attended Ron Serong's funeral and also Laurie's brothers funeral.

Please remember our August Sunday meeting is our AGM. We have some committee members who need a break, so please consider helping us on committee.

Just a short report this month,

President Ross

## Baw Baw Shire Grant Presentation Night

Carol and Rob attended the Baw Baw Shire grant presentation night at the Country Club on behalf of the Baw Baw Old Engine and Auto Club and the Trafalgar Truck Restorers Club. The clubs were presented with the grant certificate for the grant provided for our accessible car park.

# Membership Renewals – Final Reminder

If you haven't yet renewed your membership and would like to continue into the year ahead, we would appreciate your renewal as soon as possible. A renewal form is available in the May issue of *Old News* (page 4).

With 30 June now passing, membership renewals are now overdue. Timely renewals are particularly important for **members with club permit vehicles**. If you have club permits with the club, please prioritise your membership renewal.

## 2026 Annual General Meeting

The 2026/2027 Annual General Meeting (AGM) of Baw Baw Old Engine & Auto Club Inc. will be held on **Sunday 16 August 2026** at the Club Shed, Pedder Street, Darnum. The meeting will open following the conclusion of the August General Meeting, scheduled to commence after 10am. All members of the club are welcome and are encouraged to attend.

The minutes of the previous 2025/2026 meeting will be published in the upcoming August issue of *Old News*.

### Committee and supporting positions

All committee and other supporting positions will be open for nomination. Please take the time to consider if you could take up a position to help in the running of our club. Please also consider if there are other members who you think would perform well in supporting our club.

Descriptions of each position are provided on the following page for your information. If you would like further information on any of the positions, please do not hesitate to contact a current committee member.

A committee nomination form is provided below in readiness for the meeting. Photocopies of this form are perfectly acceptable if you require more copies.

Please lodge completed nomination forms with our Secretary Rod Boreham before the commencement of the Annual General Meeting on Sunday 16 August 2026.

## Committee

The Committee is responsible for managing the club on behalf of and in the best interests of our members. They operate as a team, drawing on the skills and talents of each committee member, working towards common goals that will ensure the club's success.

The Committee consists of office bearers formally elected at the AGM.

## President

The President is the leader of the club, essentially a Chief Executive Officer (CEO). They are the chairperson for any general meetings and for any committee meetings.

Regular attendance at general meetings, committee meetings and club activities is crucial. A good working knowledge of a club's constitution and rules is important to enable the President to give guidance.

Other responsibilities of the President include setting goals, monitoring club progress, motivating committee and club members, problem solving, recruitment and representation of the club.

## Vice-President

The Vice President is the 'right hand' of the President, responsible for assisting the President in their duties. They relieve the President in all aspects of the club when the President is unavailable, including chairing meetings and representing the club.

The Vice President must be in constant touch with the activities and the policies of the club. They must learn what the duties are of each office bearer and be familiar with all aspects of running the club.

## Secretary

The Secretary is the chief administration officer of the club and is the coordinating link between members, committee and outside parties. They are responsible for managing correspondence, preparing meeting agendas and minutes, compiling reports and other tasks set down by relevant Acts and the club's constitution.

The role of Secretary is supported by other positions in the club, including the Membership Secretary.

## Treasurer

The Treasurer is the chief financial officer for the club. They are responsible for regularly monitoring revenue and expenditure, the preparation of budgets and reports, and planning the Club's financial future. The Treasurer controls and operates the Club's bank accounts.

## Ordinary Members

Ordinary members are members of the committee without holding an office position. Members work together to make decisions and act in the best interests of the club.

## Supporting Positions

The committee is supported by positions that perform other duties to ensure the successful running of the club. These positions are not required to be held by nominated committee members, and if they are on committee, do not represent an additional position on the committee beyond the four offices and designated number of ordinary members.

## Club Permit Secretary

The Club Permit Secretary is responsible for maintaining a record of member's vehicles on the VicRoads Club Permit Scheme (CPS).

## Membership Secretary

The Membership Secretary maintains a membership list of all current members. They are also responsible for managing enquiries and the onboarding of new members.

## Editor

The Editor produces the club newsletter *Old News* for distribution to members. The role requires computer use to produce the newsletter and email to members and reciprocal clubs.

## Webmaster

The Webmaster administers the club's website and is responsible for ensuring published information is up to date for both members and visitors to the site.

## Events Coordinator

The Events Coordinator is responsible for ensuring that the club event calendar is established and reflects the cross-section of member interests. They are not necessarily responsible for coordinating events themselves, but coordinating people to organise, run, and report on club events.

## Federation Delegates

As part of our club's membership with the Federation of Veteran, Vintage and Classic Vehicle Clubs, our Federation Delegates attend and report back on quarterly meetings that discuss various items in relation to the Federation's activities.

## AOMC Delegates

As part of our club's membership with the Association of Motoring Clubs (AOMC), our AOMC Delegates attend and report back on quarterly meetings that discuss various items in relation to the AOMC's activities.

If you have any questions about the available positions, please don't hesitate to contact a current member. Contact details are available inside the rear cover of each *Old News* issue.

# Mowing roster for club grounds

Our club has recently acquired new mowers for maintaining our club grounds – a commercial ride on, and a finishing mower with accompanying tractor.

To ensure fair distribution of mowing duties, a monthly roster is being prepared for mowing the grounds.

If you would be willing to volunteer to mow for a month in the remainder of 2026, please let a member of committee know (see contact details inside rear cover).

Instructions will be provided on the safe operation of the mowers prior to starting.

# Queensland Sightseeing

On a recent Queensland holiday Geoff and Judy Little spent some time exploring local museums and collections. Thank you to Geoff and Judy for sharing some of their photos.

The Blundell Classic Ford Museum was found in Mareeba, located in the Atherton Tablelands above Cairns. Among the many Fords were two examples of the last made for their respective models, as well as assorted tractors and engines. This month's *Old News* cover photos are a selection from the museum.

At Chillagoe, about 140km inland from Mareeba, a collection of Ford cars and trucks was explored. The owner Tom, who is in his eighties, was present during their visit.

## PAST EVENTS

### UFO Morning at the Shed

Tuesday 28 July

I would like to thank the ladies who braved the cold and joined in our little get together, we as usual had a very enjoyable day. Just showing a couple of photos of amazing crafts that were done by our group. I look forward to our next get together on August 25th.

### Old Car Batteries

The club collects old car batteries as a means of fundraising via scrap metal.

If you have any old batteries, we would appreciate your donation.

Batteries can be left at Rod Boreham's for collection (1 Robin Hood Way Drouin, on pallet at the road side of shed). This is the preferred location, but they can alternatively be left at the club shed.

## Our Shared Commitment

Being part of our club means being part of a community. To help keep the club active, connected and vibrant, we encourage all members to:

- Attend at least one meeting each year** to stay informed, connected and have a say in club matters.
- Take part in at least one club event each year**, helping build camaraderie and shared enjoyment of our vehicles and engines.

With every member contributing in these small ways, we can help ensure the club remains strong and continues to grow.

## Club Permit Scheme
